Dear Sir:

Prior to the first Office Action in the present application, please amend the above-referenced application as follows:

**IN THE CLAIMS:**

Please cancel claim 1 without disclaimer or prejudice.

Please add new claims 19-45 as follows:

--19. A liquid crystal display, comprising:

a first substrate;

a plurality of gate lines and drain lines formed on the first substrate;

thin film transistors each arranged at an intersection between a corresponding gate line and a corresponding drain line, and having a gate connected to the corresponding gate line, a drain connected to the corresponding drain line, and a source;

an interlayer insulation film formed covering the thin film transistors, the gate lines, and the drain lines;

a plurality of pixel electrodes each connected to the source of the thin film transistor and partially formed on the interlayer insulation film;
